

Getting Started

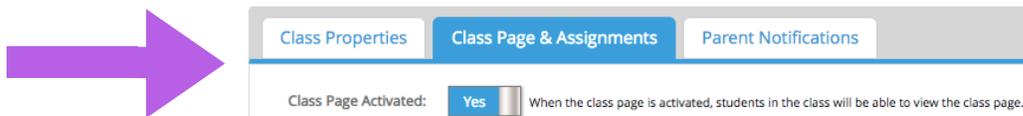

Students will access Study Island from their Clever app. They will use their network username and password to login.

1. Teachers will access Study Island from the MCCSC homepage: Students: Resources: Clever link. They will use their network username and ALPHAKEY password in ALL CAPS.

2. Teachers will find their Skyward classes in Study Island. When you select the pencil next to a class, you can check your student roster/edit your student roster from this page.

Learn how to create an assignment by watching this video! https://www.youtube.com/watch?v=ZOKvQ_Jr2Wo&feature=youtu.be

3.
 1. Open your class
 2. Select ADD ASSIGNMENT
 3. Add title, choose standards, choose class/students and save.
 4. MAKE SURE YOUR PAGE IS ACTIVATED. Your students will not be able to see your assignments, until you have ACTIVATED your class page.
